

Pdf Monkey Rocker Plans

	to the Carramar Golf Course and residential properties along Carramar Road, Inverell Green, Tranquil Drive, Bushland Retreat and Wildflower Drive.	considered to detract from the view of the streetscape from the properties located on the western side of Tranquil Drive, and is not considered appropriate within this location.	supported.
3.2	Considers that the monopole constitutes visual pollution and should not be located in residential or recreational areas.	Refer to response 1.2.	Recommend that the application not be supported.
3.3	Considers that an alternative site should be sought that does not impact on property values, or the lifestyle and wellbeing of residents.	As discussed on the body of the report, the applicant has advised that the monopole cannot be relocated as the further away the proposed infrastructure is from residential properties, the weaker the signal and data transfer rate is received. With regards to property devaluation, this is not a valid planning consideration. With regards to the wellbeing of residents, refer to response 1.2. With regards to health impacts from Telecommunications Infrastructure, refer to response 1.1.	No modification required
4.	John Hargreaves 30 Golf Links Drive, Carramar		
4.1	Considers that the location of the tower is ambiguous at best as the site covers a large area.	The Telecommunications Infrastructure is proposed to be located approximately 33m from the western lot boundary, and 163m from the southern boundary, in an existing vegetated part of the site.	No modification required
4.2	Concerned with potential health issues.	Refer to response 1.1.	No modification required
4.3	Concerned with no screening of the facility	Refer to response 1.2.	Recommend that the application not be supported.
